

Job Coaching at The Women's Center

Our job coach can help you to find work, or support your search for a new job if you have one already.

Our Job Coach Offers:

- Confidentiality
- Encouragement and support
- Nearly a decade of experience advising job seekers
- Expertise in career tools -- resumes, cover letters, LinkedIn
- Career exploration to help clients identify realistic job possibilities and analyze their potential fit
- Valuable tips for job applications
- Interviewing skills practice
- Tips on handling job offers and negotiating employment issues

The Women's Center job coaching program is completely customized and tailored to your needs. You may meet with our job coach for as many appointments as you wish as you search for a job.
